DEFIANCE COUNTY FAIR FOUNDATION

**Help Us Raise
\$500,000.00 For:**

- ◆ Providing New Restroom Facilities
- ◆ Beautification of the Area
- ◆ Miscellaneous Expenses for Grandstand Erection

On behalf of the Defiance County Fair Foundation Board, we extend heartfelt thanks to the myriad of people who had a hand in the design, fabrication, and erection of our new 1900 seat fully canopied, handicap accessible grandstand with press box and lighting. We are proud and appreciative of the community for the \$800,000 donated to support this beautiful new structure. To each of you who financially committed to this project in some way, the Defiance County Fair Foundation extends a special thank you to each of you. A promise to make an investment in the future of the fairgrounds facility will yield a return many times over for all our youth and community.

The Defiance County Fair Foundation has committed to raise an estimated \$500,000 to provide new restrooms, beautification areas, and cover additional erection costs mandated by the state and other circumstances beyond our control. These additional improvements will only be possible with additional financial support. Together, let's continue the dramatic fairground improvements by supporting these with individual, organizational, and business gifts. These timeless principles never leave us.....that freedom is universal; that all ethics precious are that to whom much is given, much is expected; and that results matter. Together we can make a difference in our Defiance County Fair grounds. Contributions/Donations can be mailed to Defiance Area Foundation, 507 Fifth St, Defiance, OH 43512 or Defiance County Fair Foundation, P.O. Box 4544, Sherwood, OH 43556.

Sincerely,
Tom Breininger, Chairperson
